Welcome to San Diego Junior Theatre's 66th Season. A Season of Unexpected Adventures!

Mermaids, ogres, pirates, fairies, mischievous cats, and affable dogs are just a few of the intriguing characters that inhabit the stories we will tell this year. These adventures are journeys into diverse cultures, imaginary lands, and brave new worlds.

Here at JT, we specialize in unexpected adventures. Students find them onstage, backstage, and in the classroom. Audience members engage with them from the comfort of a theatre seat. These adventures take us by surprise and open our eyes to new ways of seeing the world.

The experiences and relationships that have taken root and bloomed in my life since I first came to Junior Theatre as a student (more than three decades ago!) have richly informed my life in ways that I could never have imagined. It's with pleasure that I now embark on a fresh adventure as Junior Theatre's new Executive Director. I look forward to meeting everyone in the Junior Theatre community.

I hope you can join us for our *66th Season of Adventure!*

SHREK

THE MUSICAL

SHREK, THE MUSICAL

April 25 - May 11, 2014

Casa del Prado Theatre, Balboa Park

Based on the DreamWorks Animation motion picture and the book by William Steig. Book and Lyrics by David Lindsay-Abaire. Music by Jeanine Tesori. Originally produced on Broadway by DreamWorks Theatricals and Neal Street Productions.

Based on the Oscar-winning DreamWorks film, *Shrek* is a modern day fairy tale. In a faraway Kingdom turned upside down, things get ugly when an unseemly ogre — not a handsome prince — shows up to rescue a feisty princess. Throw in a donkey who won't shut up, a bad guy with a short temper, a cookie with an attitude and over a dozen other fairy tale misfits, and you've got the kind of mess that calls for a real hero. Luckily, there's one on hand... and his name is Shrek.

Roosevelt Middle School Theatre

Written for the stage by William Shakespeare.

The Tempest is set on a remote island, where Prospero, the rightful Duke of Milan, plots to restore his daughter Miranda to her legitimate place using illusion and skillful manipulation. He conjures up a storm, the eponymous tempest, to lure his usurping brother Antonio and the complicit King Alonso of Naples to the island. There, his machinations bring about the revelation of Antonio's lowly nature, the redemption of the King, and the marriage of Miranda to Alonso's son, Ferdinand. One of Shakespeare's later plays, *The Tempest* draws on the themes of magic, illusion, and music.
